Ad Type 1 – Conference Program Book Ad

Raise your visibility in the conference program! In an effort to incorporate our theme and integrate technology into our event, we are offering attendees a conference mobile app, in addition to the print program. All attendees will have the option when registering to receive a hard copy or an electronic PDF copy of the program. The electronic copy will be available to all attendees, even those who opted for the hard copy program book on-site, and will be included on the website in advance of the conference, putting your ad in front of the attendees earlier.
