1. What, if anything, has the service-learning portion of the course taught you about public policy that you did not know before?
2. What connections, if any, have you seen between our readings and experiences with CPF?
3. Does working with CPF make you feel more or less likely to get involved in community service (e.g. volunteering), or has it had no effect?
   a. More likely
   b. Less likely
   c. Has had no effect
4. Please explain your answer above.
5. Does working with CPF make you feel more or less likely to get involved in politics (e.g. volunteering), or has it had no effect?
   a. More likely
   b. Less likely
   c. Has had no effect
6. Please explain your answer above.
